SUMMER IN AMERICA  
Summer in America

WELCOME TO  
*Summer in America*

This Summer, more than 130 students from China, Korea, Japan, Thailand, and Vietnam participated in various summer camps and programs with the American Scholar Group (ASG). Our campers joined cultural immersion activities from whitewater rafting to horseback riding, and visited places of interest from Niagara Falls to Washington DC. Students also took a number of courses ranging from American English lessons to University level courses from the University of Pittsburgh. The following are a compilation of images that encapsulate the 2016 Summer Camp.

Enjoy!
