PAINTBALL»

Always popular, our paintball club provides students with the opportunity to purchase their own equipment and challenge other participants in battle. When combat stations are set up at the Chapel Hill Campus (CHC), friends become foes and foes become friends in a battle for supremacy at the CHC Paintball Arena!

“ The kids had a tremendous experience mingling with the local community ”

Friday formal dinners are held twice a month for the purpose of emphasizing the value of community engagement. These occasions provide excellent opportunities for students to practice their etiquette, implement conversational skills and enjoy the company of all staff and students in a warm and hearty environment.

SPRING BBQ >>

The Annual Spring BBQ Festival is held at the conclusion of the academic year. This event, featuring traditional American picnic cuisine and roast suckling pig on a spit, is hosted by the Group Chairman & Chief Executive of the American Scholar Group. The event is a time of celebration for American Scholar students as they reflect upon their academic, social and cultural journey throughout the year.
