EMBRACE YOUR FUTURE

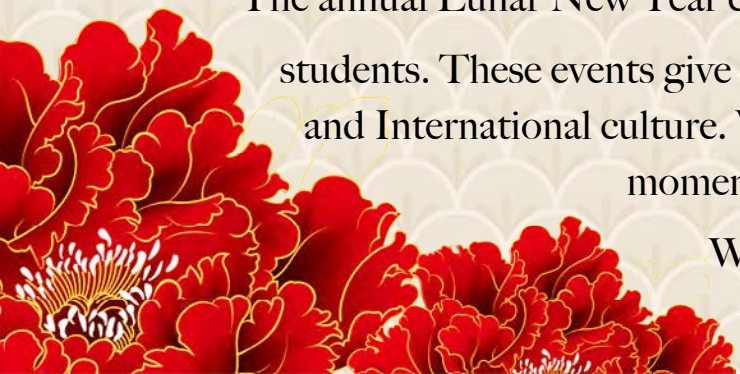

**F**ebruary 6th, 2016 - About 120 students, staff, and special guests of the American Scholar Group (ASG) gathered together to celebrate the Lunar New Year at Jimmy Wan's, a popular Chinese restaurant located in Cranberry, Pennsylvania.

Everyone brought in the year of the Monkey together by feasting on roasted duck, Ma Po tofu, Kung Pao Chicken, sautéed vegetables, szechuan style shrimp and scallops, fried rice cake, and sesame dumplings. It was a wonderful event, highlighted by sharp dress attires and students wishing each other a happy new year in their native languages.

The annual Lunar New Year celebration is one of 8 special dining events held every month for ASG students. These events give students the opportunity to celebrate and experience the best of American and International culture. We prepared this view book specially for you to share these special moments with us.

We hope you enjoy it!
