**S**tudents, staff and friends of the American Scholar Group (ASG) came together for a night of dining and dancing at the annual ASG Christmas formal on Saturday, December 3rd 2016!

For dinner, all guests were treated to a delicious spread of roasted meats (chicken marsala, Roast Beef, Roasted Pork Loin), Pasta, mashed redskin potatoes and an assortment of vegetables. There was also a dessert bar, with homemade Christmas cookies, Choco caramels delights, Brownie Bon Bons and an assortment of cupcakes beautifully arranged in a shape of a Christmas tree.

After dinner, various staff and student clubs kicked off the festivities by singing Feliz Navidad together. Then everyone took to the dance floor to show off their best moves.

The ASG Vision Club set up a wonderful photo booth cut out with a hand-painted outline of Santa Claus that was a huge hit with everyone. Individual and group shots were also taken in front of a Christmas tree. It was a wonderful night and all in attendance came dressed to impress.

We prepared this viewbook to share these moments with you! We hope you enjoy it!
